WHO'S
WHO
80-93

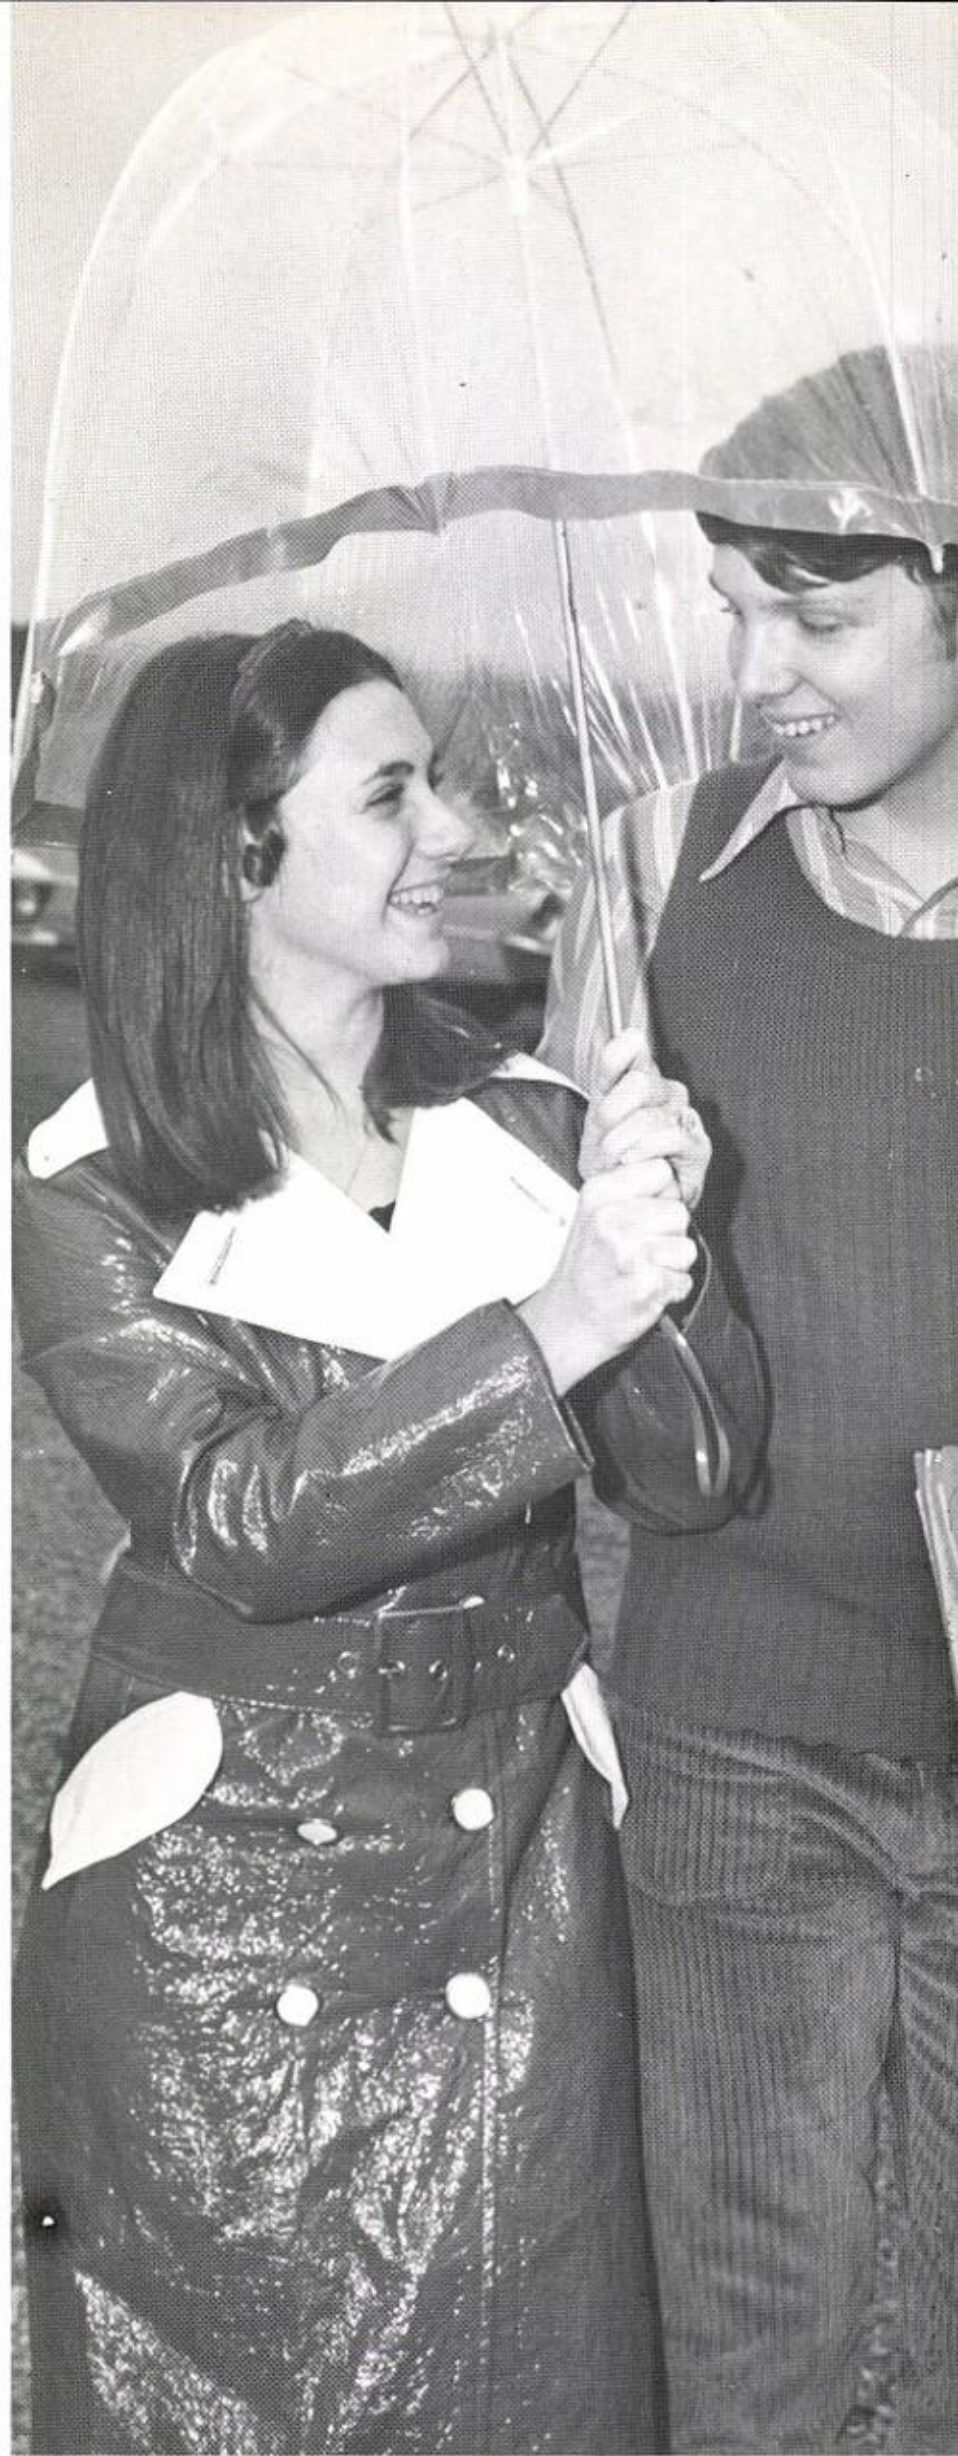

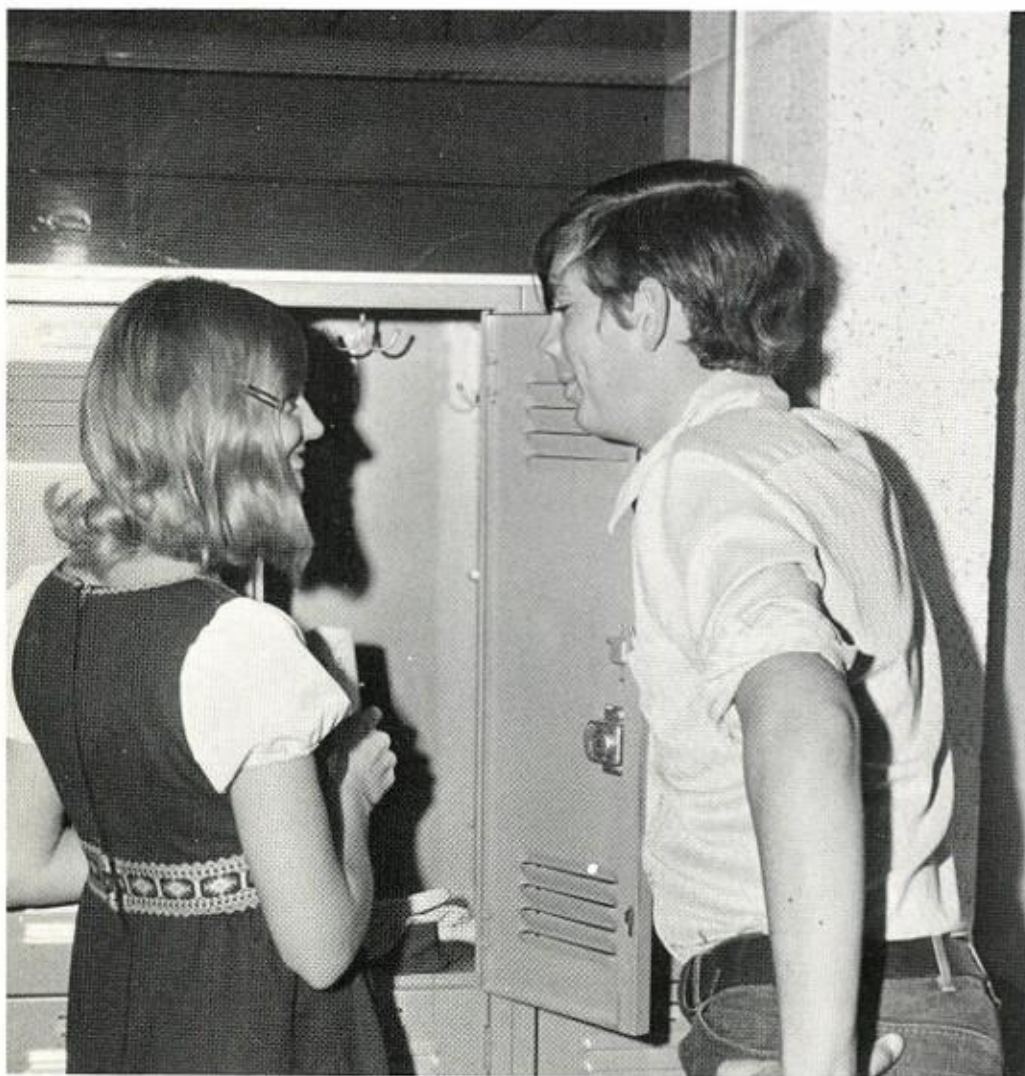

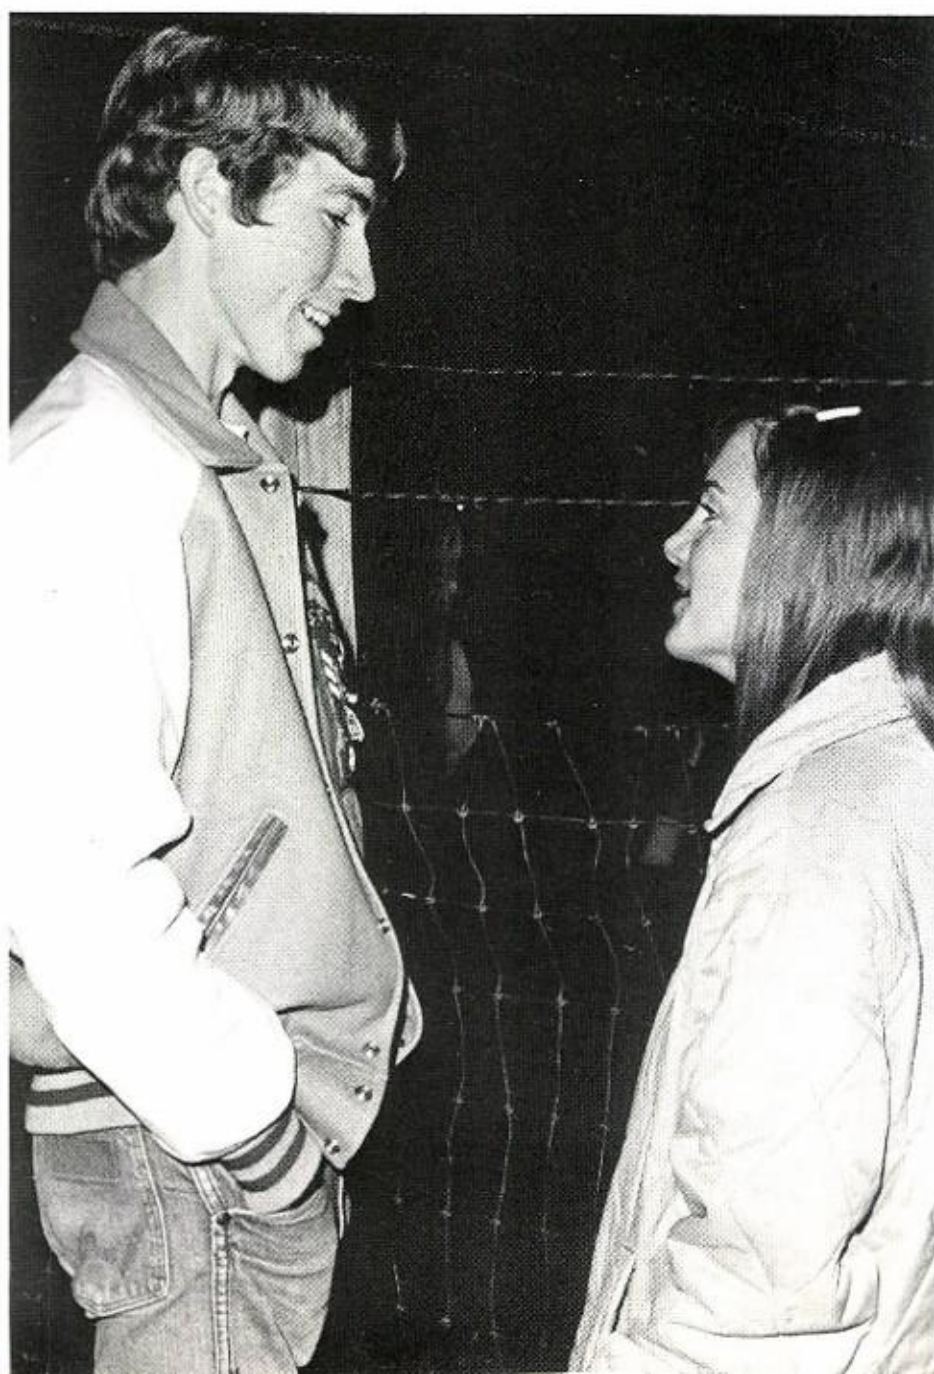

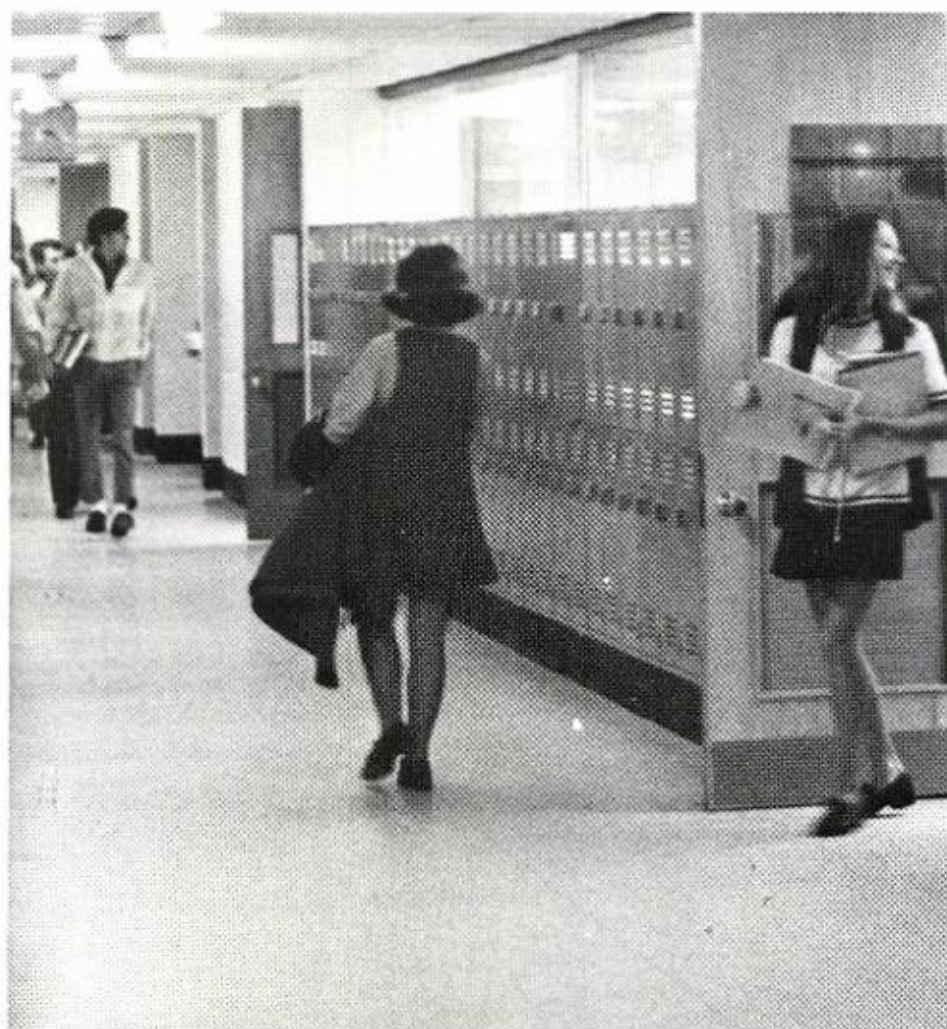

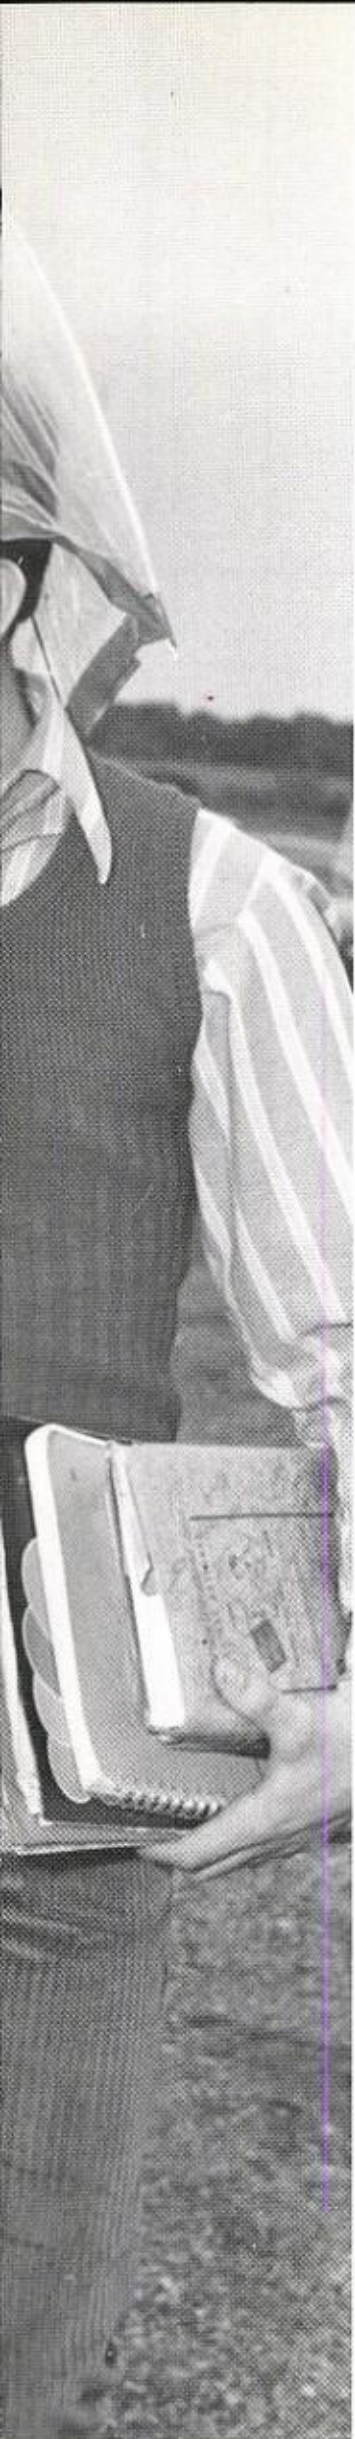

We come into the world alone.
We go away the same.
We're meant to spend the
interlude between
in closeness
Or so we tell ourselves.
But it's a long way from the
morning to the evening.

Sometimes I think people were meant
to be strangers.
Not to get to know one another,
Not to get close enough
to damage the heart made older
by each new encounter
But then,
someone comes along and changes all that
For awhile anyway.

There are golden apples
to be picked
and green hills to climb
and meadows to run while
you're young

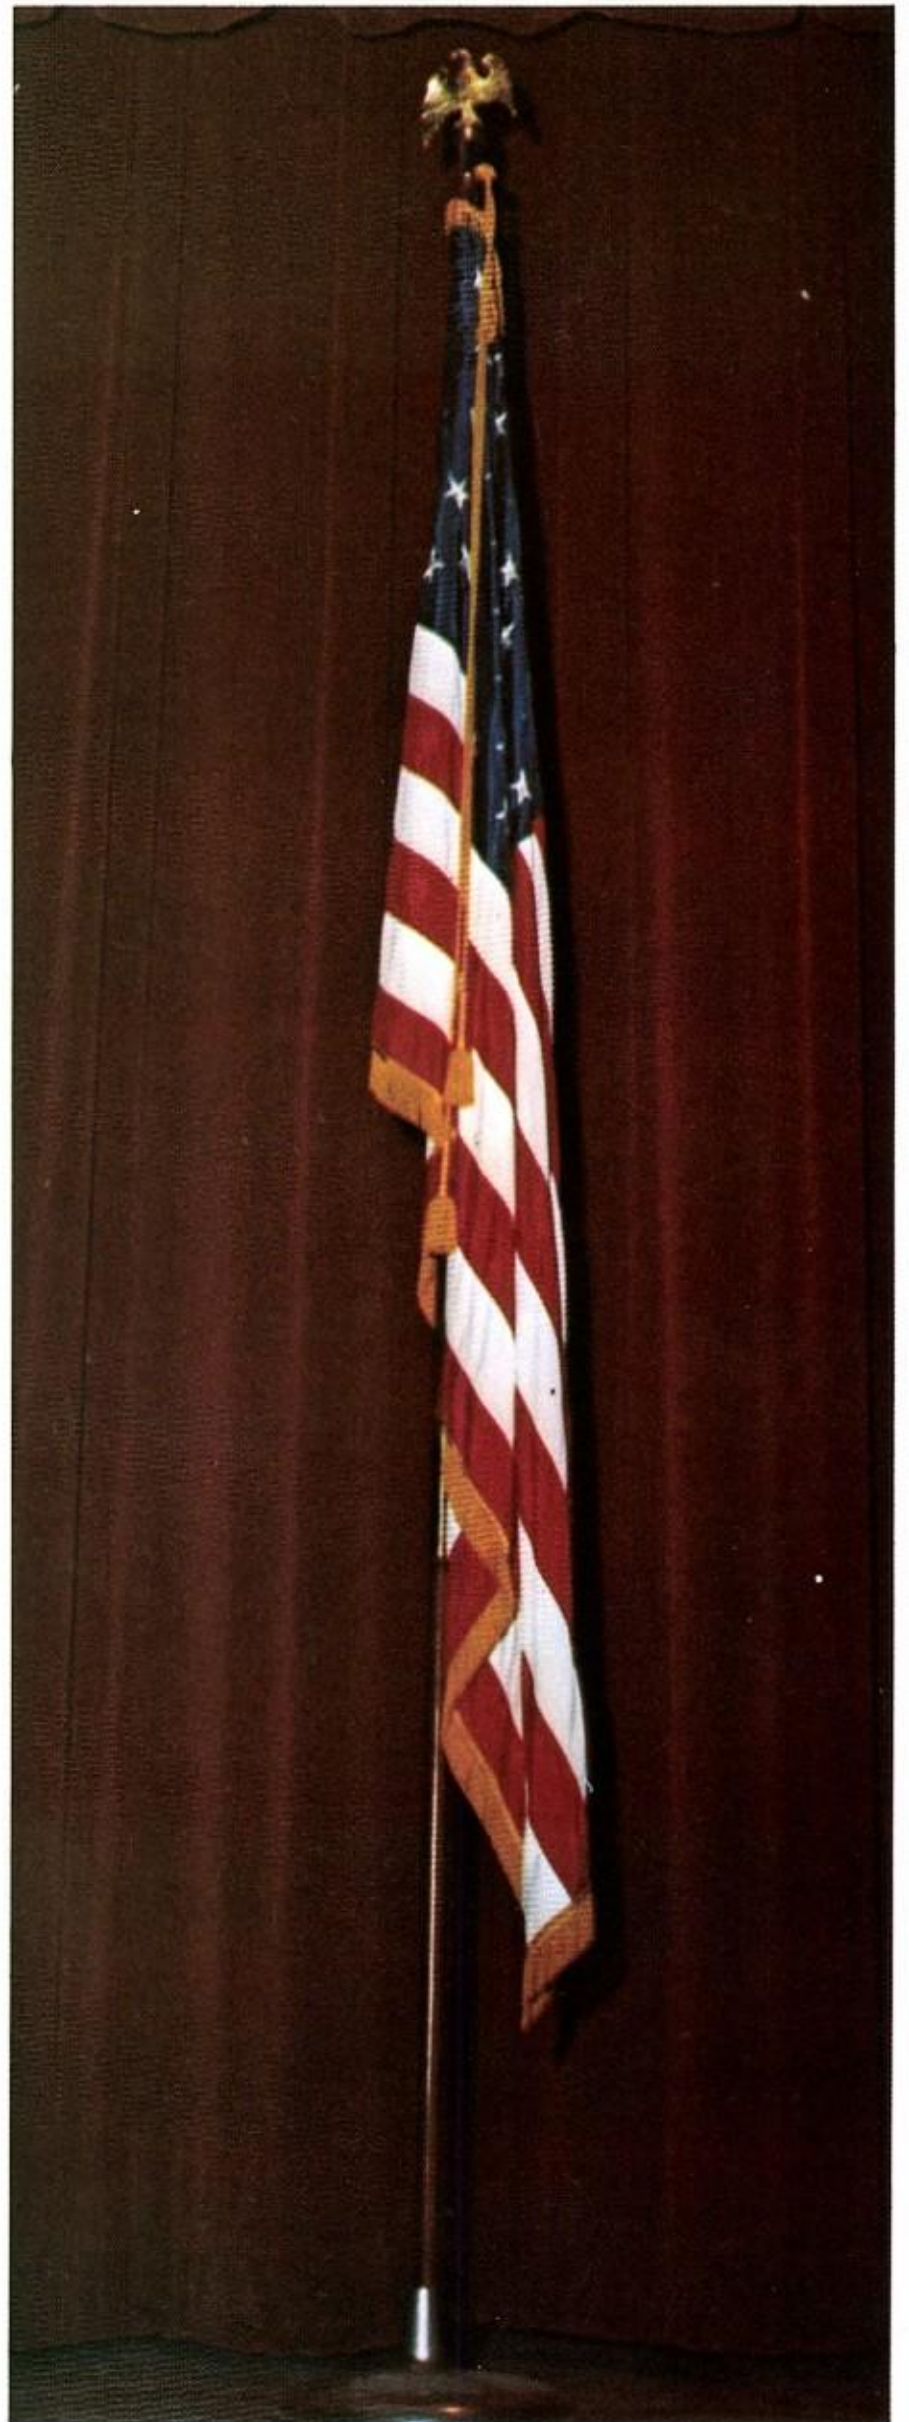

You have to make the good
times yourself
take the little times and
make them into big
times
and save the times that
are all right
for the ones that aren't
so good.

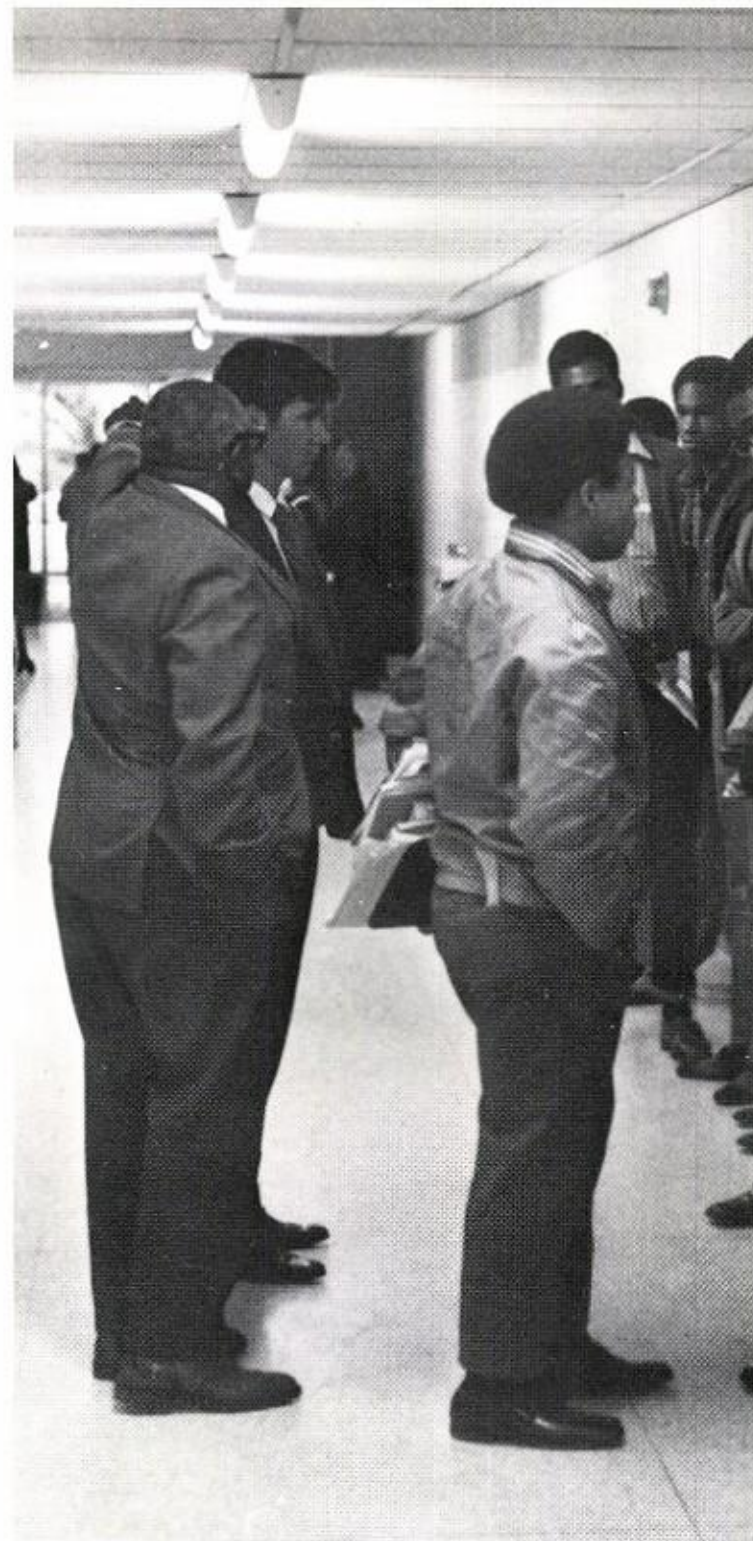

The young can save the world
by growing older in a hurry.
If we're to again know dignity,
Then all those who are running
in the streets
with rocks and bricks
Had better learn to use their stones
To build foundations,
not to slice off roofs.
You build by pulling down the rubble,
but first you have to have a plan.

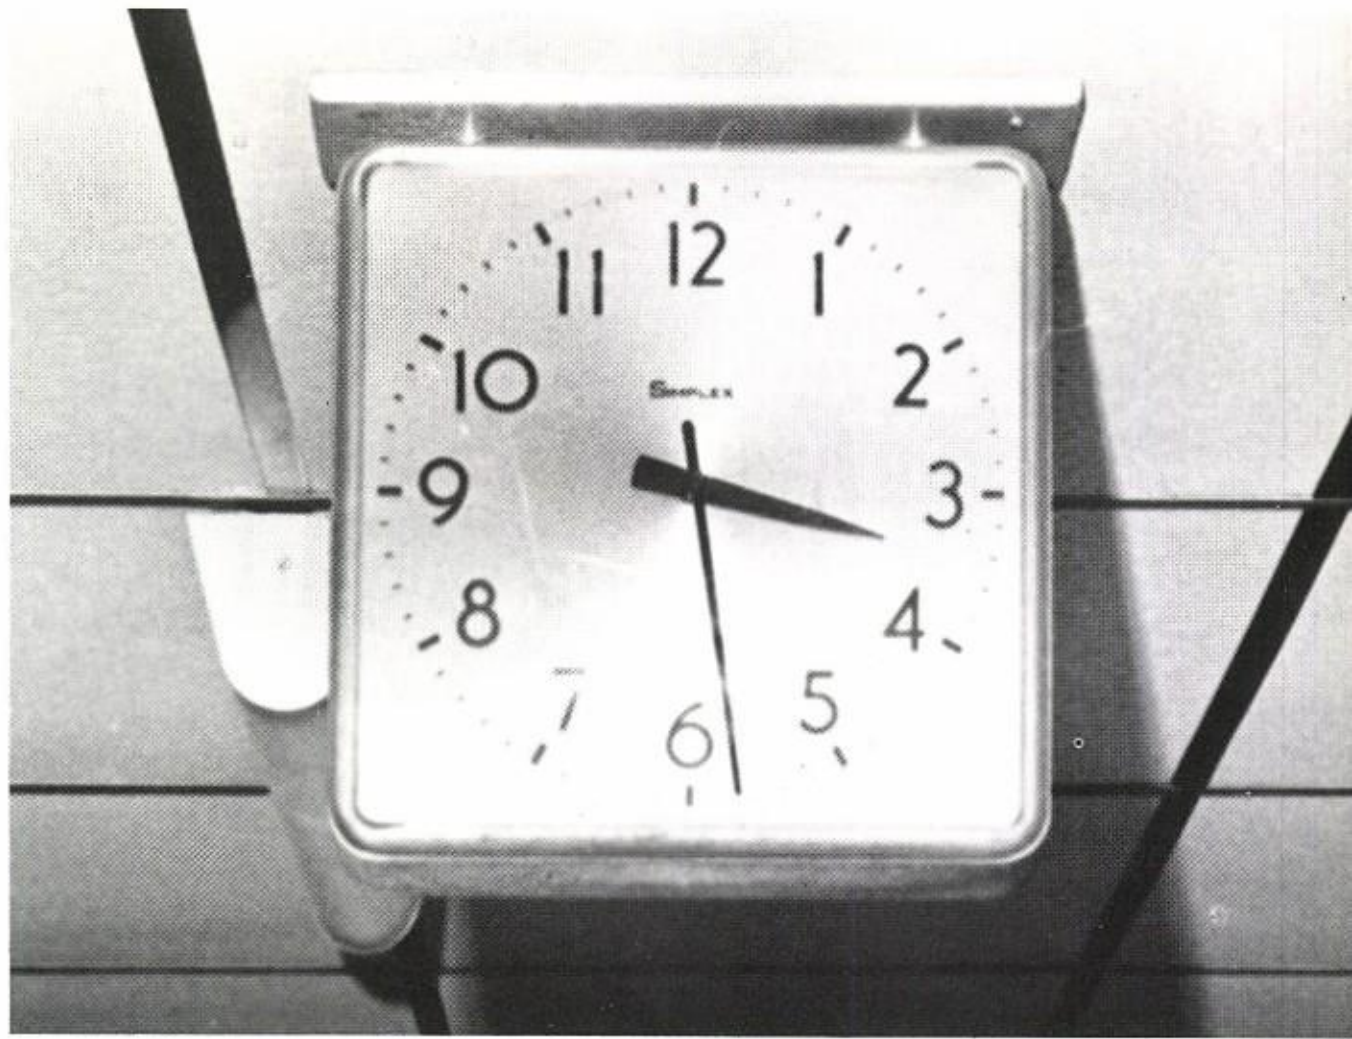

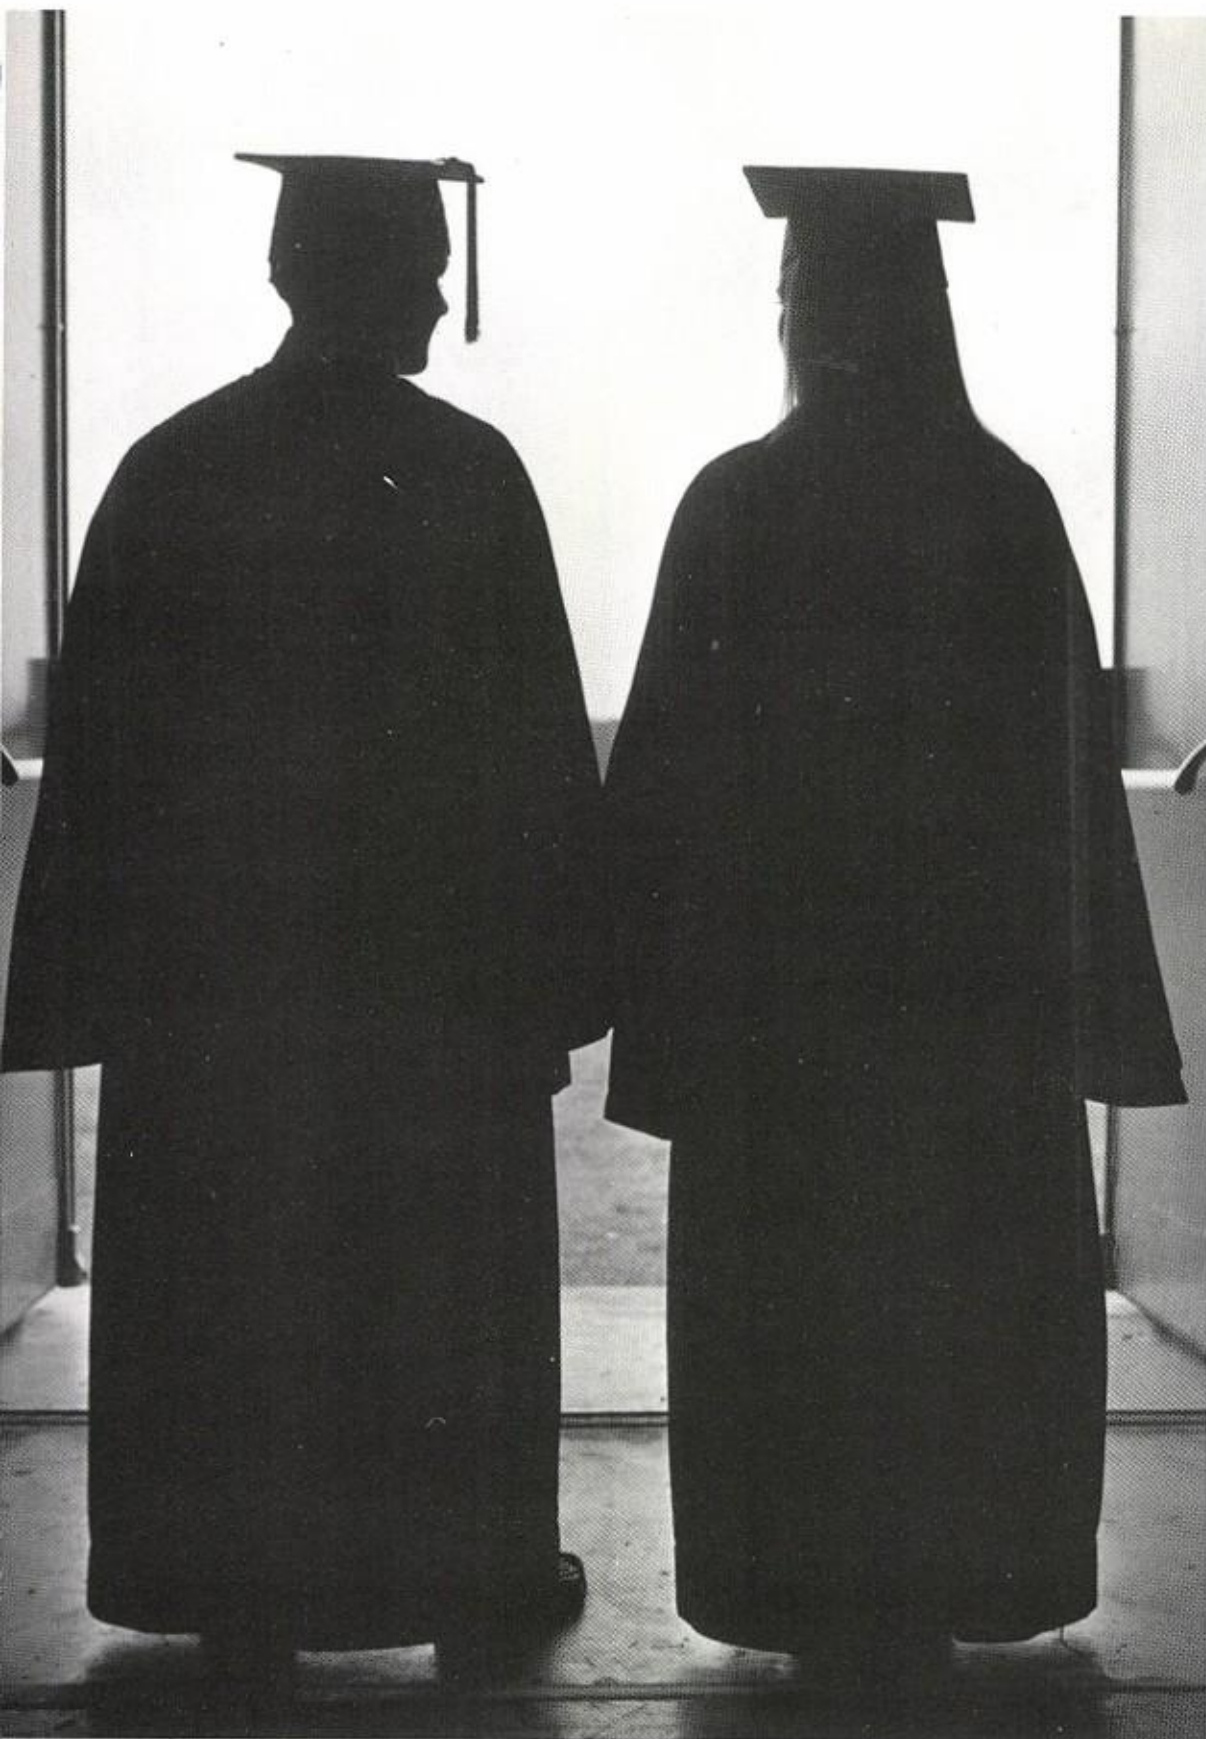

Each of us was made by God
and some of us grew tall.
Those of us who walk in light
Must help the ones in darkness up.
For that's what love is all about
and love is all there is to life.

It only takes an outstretched hand.

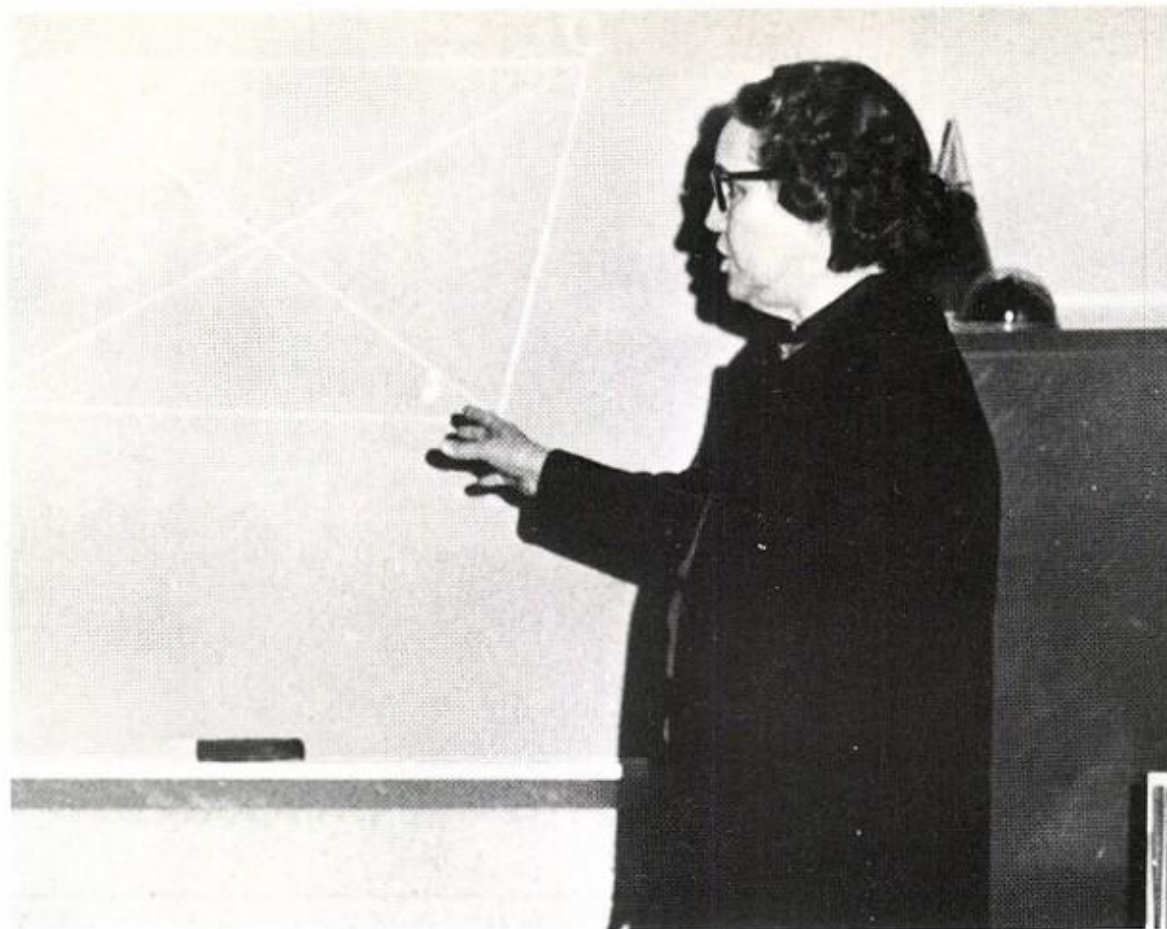

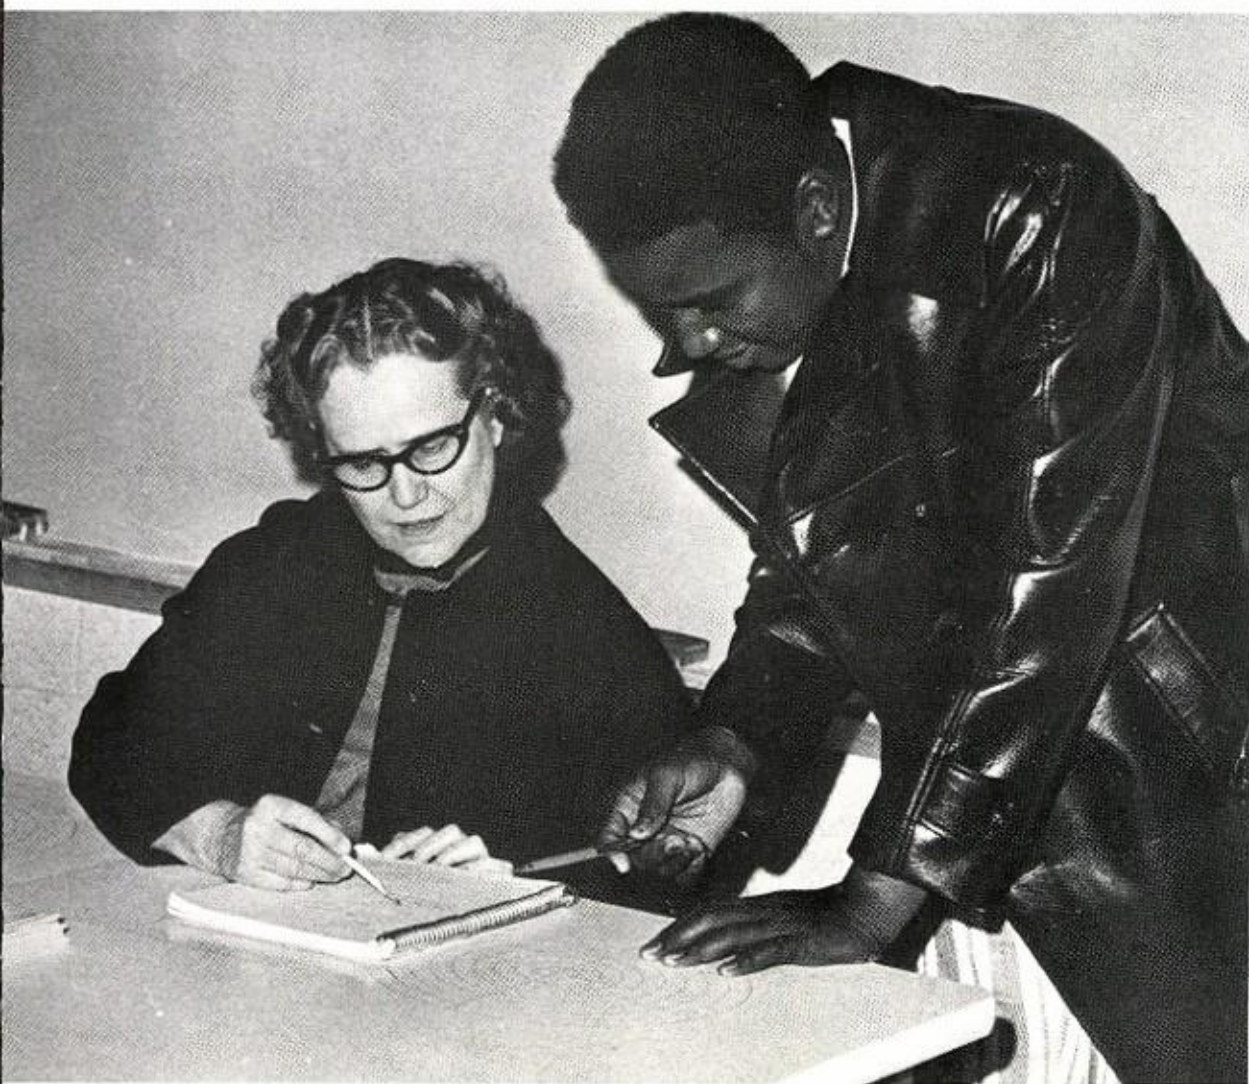

Someday we'll try to walk our children
Through the world we've just come through.
They'll protest, as we have done,
that their lives are theirs
and they'll be just as right
as we are now.
But every generation gap should have some
kind of bridge
even if it's only made of love.

- Poem selections
by Rod McKuen.

MADISONVILLE SENIOR HIGH SCHOOL

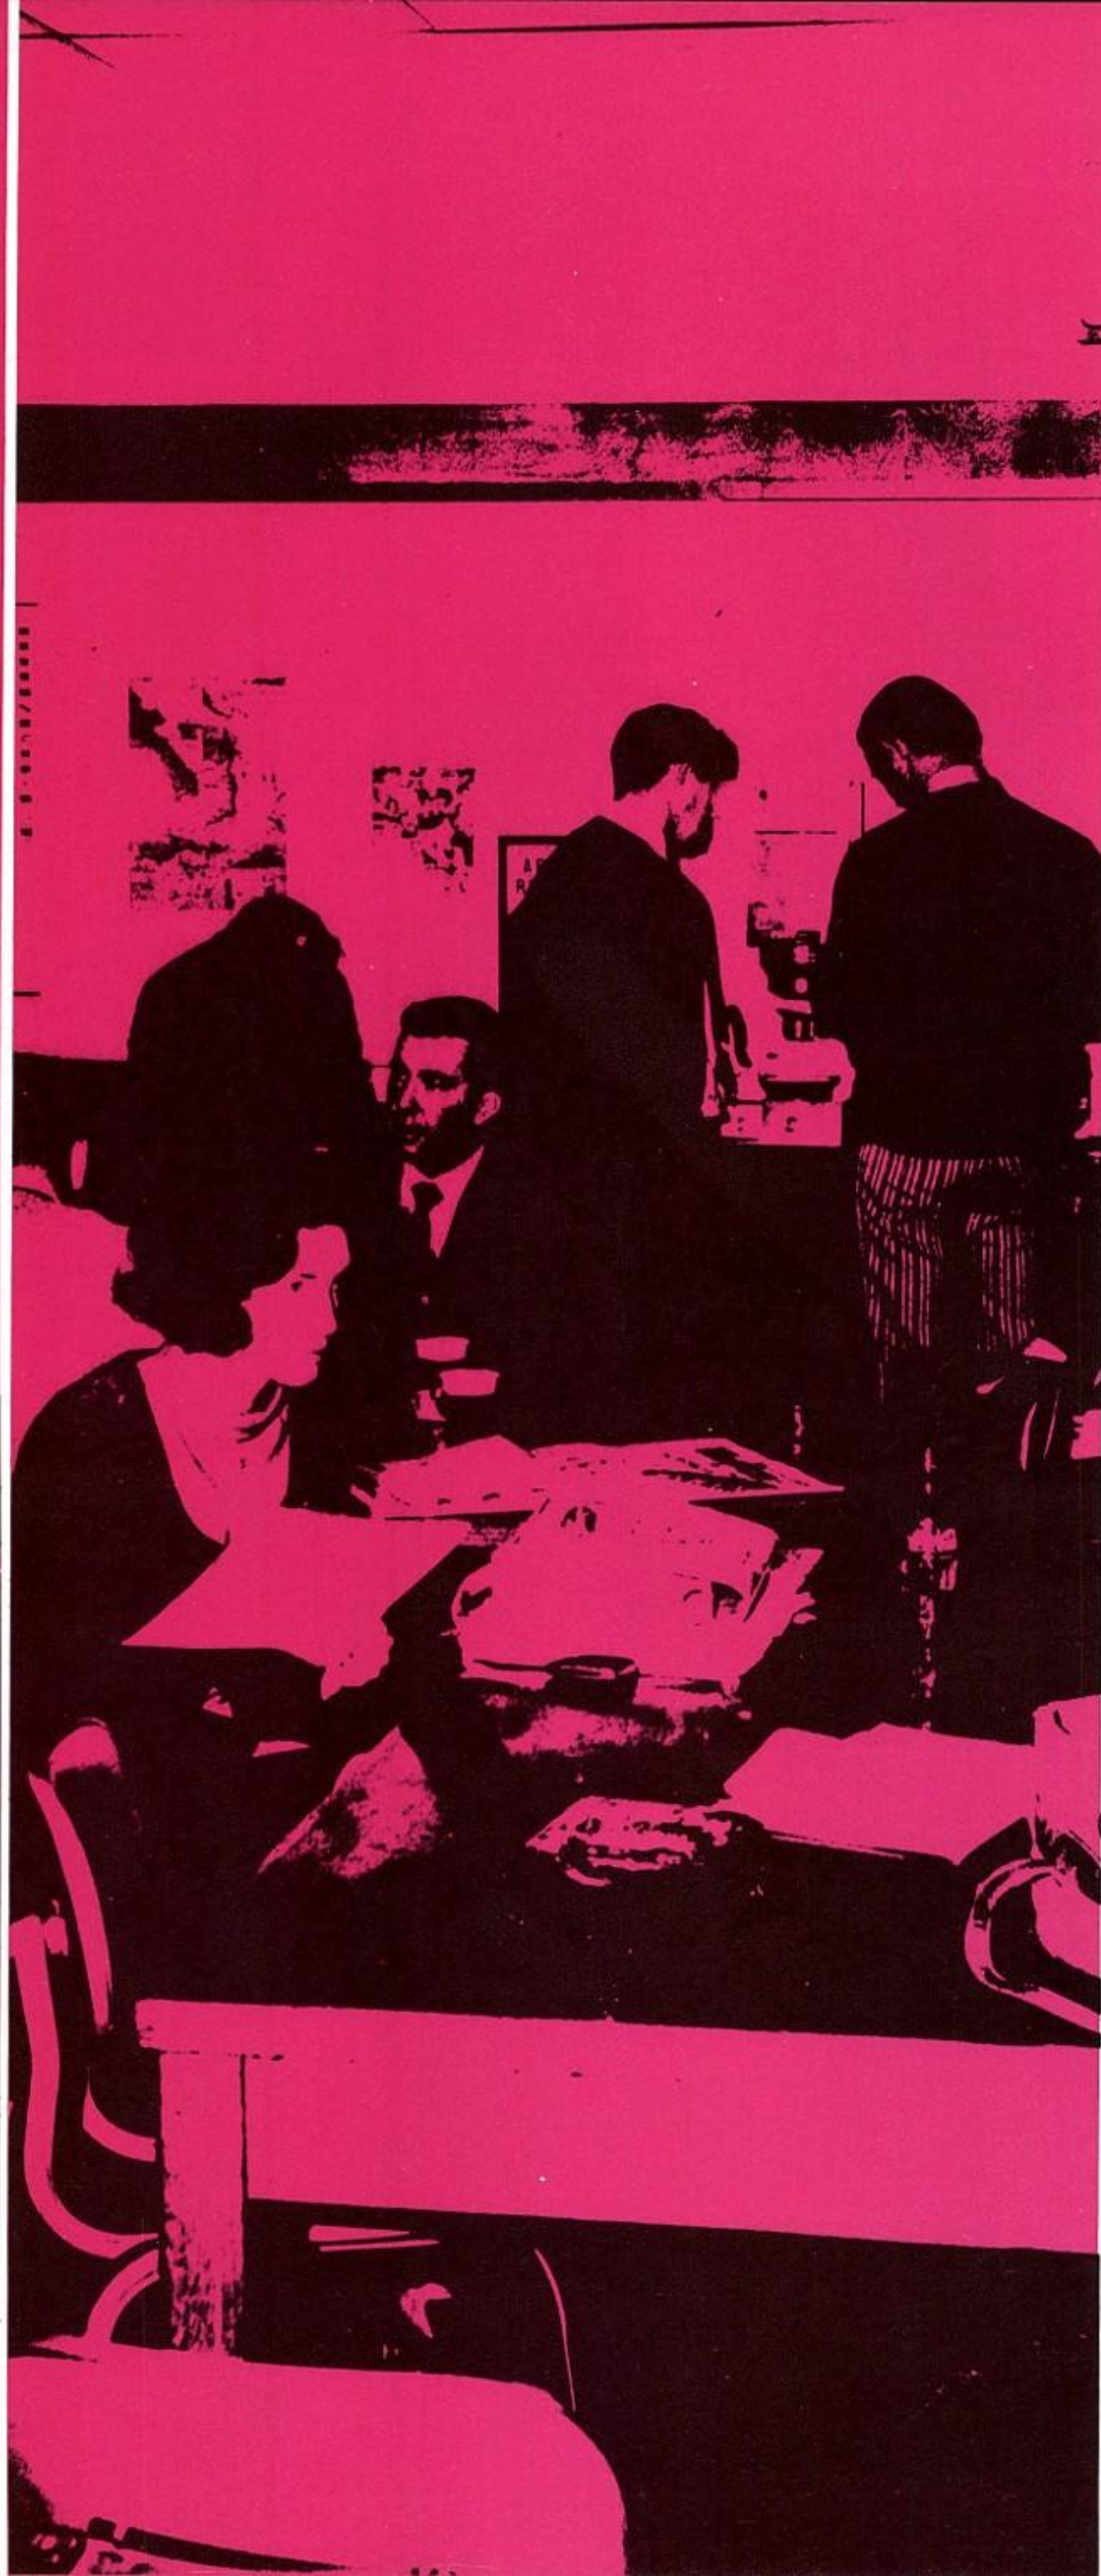

Let us take our place in the world
quickly,
But not so quickly
That we might forget
All that we learned of living,
Because she passed through our lives.

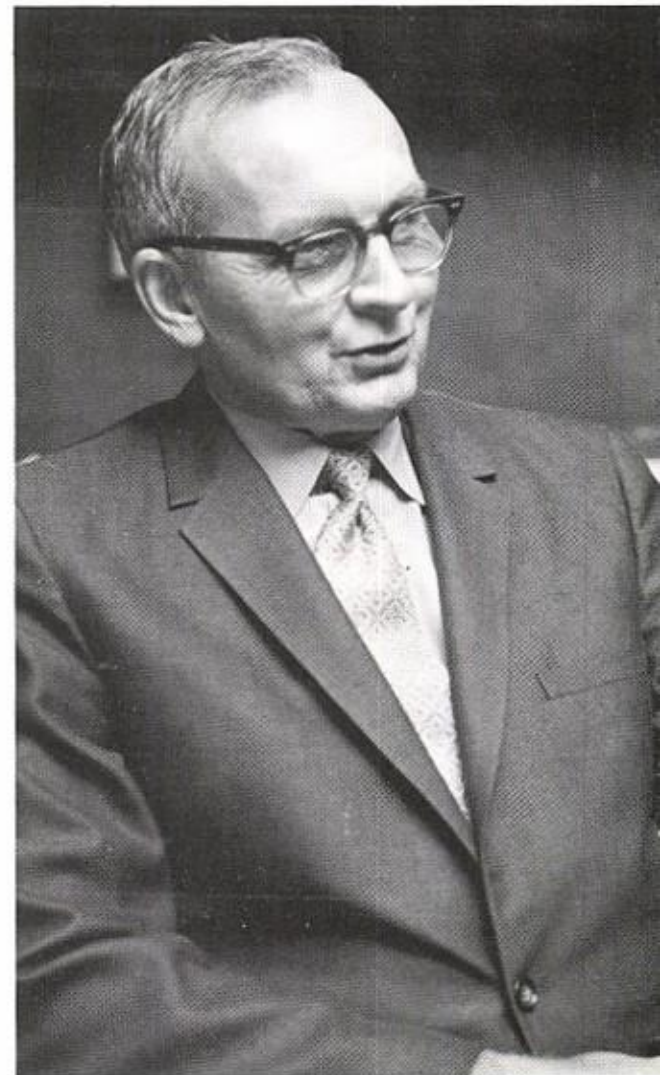

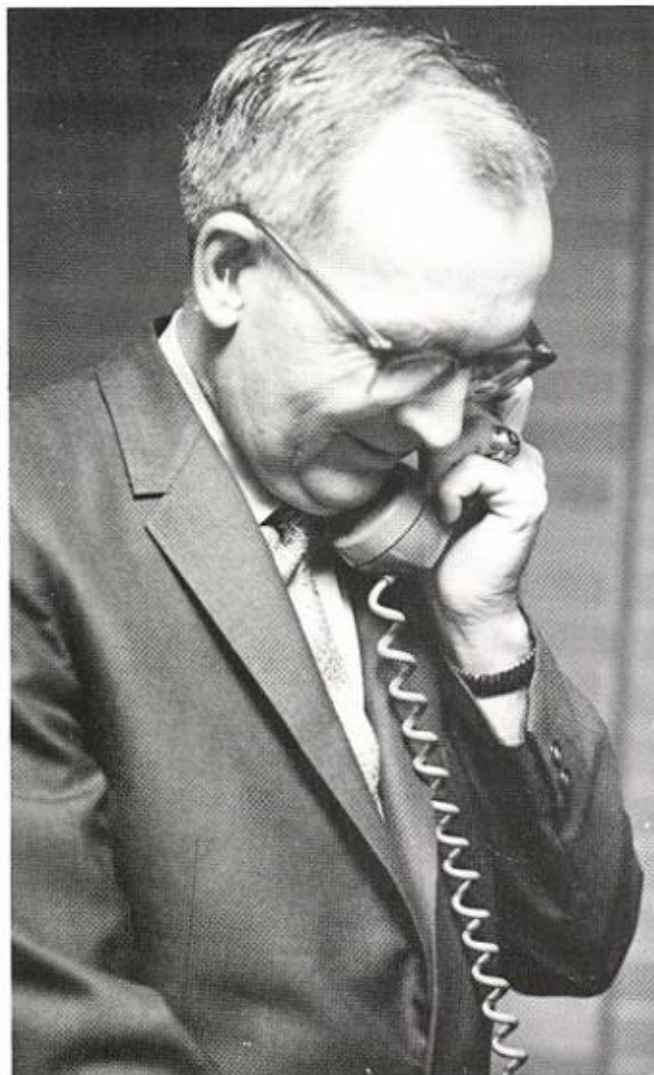

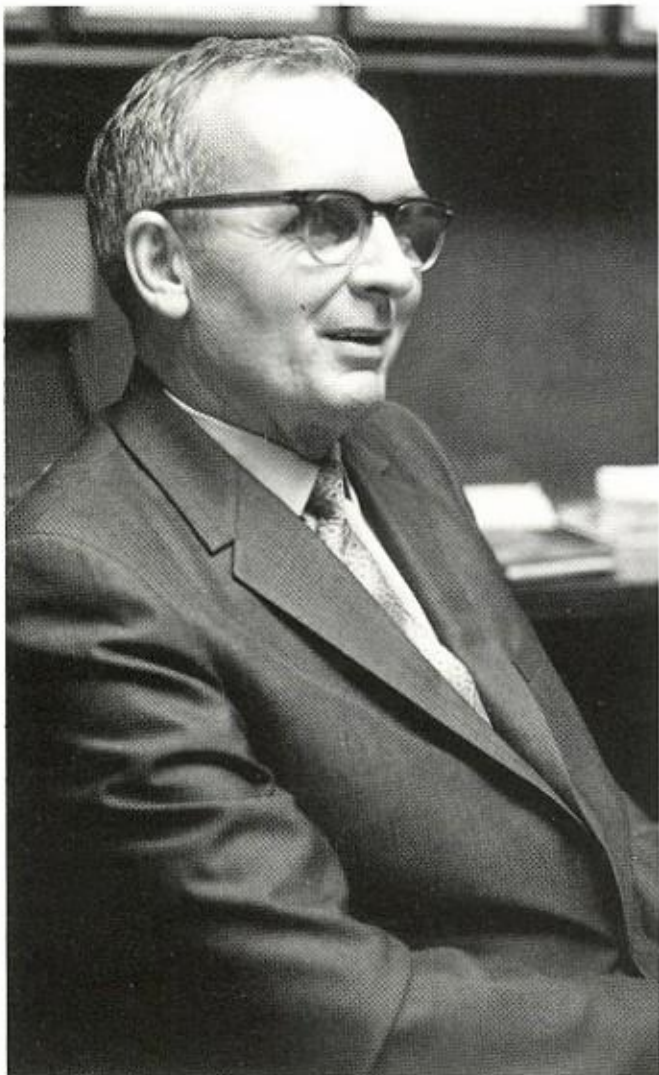

The 1972 Mustang Staff proudly dedicates
this book to our friend and teacher,
MISS LOUISE HATCHER.

VOCA TIONAL COOPERATIVE EDUCATION is a course of study designed to give young men and women an opportunity to develop a vocational skill through classroom study and actual job training. Approximately three hours of each school day was spent at each student's place of employment while the remaining time was spent in the classroom following a regular course of study. These students were expected to keep accurate records of the time spent for employment in order that they could fill out an income tax report for the state.

The 71-72 year was a fantastic one for the Mustang Band. They played for each pep rally and presented half-time performances at Varsity football games. The band spent many hot hours in preparation for these performances and were rewarded with beautiful shows. During the year the Mustang Band also attended U.I.L. Marching and Concert Contests, the Fat Stock Show and Rodeo in Houston, U.I.L. Solo and Ensemble Contest, and presented seasonal concerts. The band also marched in the Huntsville and Bryan Christmas parades and the Madisonville Sidewalk Cattlemen's Association annual parade. Through the hard work of the band members and director, this year was a very successful and rewarding one.

Quarterback Cary Davis punts for the Mustangs.

The 1971 football season for the Mustangs was somewhat below expectations, with a final record of 3-6-1. Injuries, fumbles, and penalties plagued the Mustangs continually. The first game was indicative of the season, as the Mustangs lost to a strong Somerville team 26-6. In the second game against Crockett, the Mustangs had one of their better efforts as they tied the Bulldogs 6-6. The Mustangs success continued against Grapeland as they scored with 21 seconds to go to win 14-8. The following weeks, Madisonville played poorly in losing to Centerville 32-19 and Mart 40-0. In the Homecoming game against high-scoring District Champion Rosebud-Lott, the Mustangs played the Cougars closer than any district opponent in losing 35-6. Larry Harrison saved the Mustangs next game against Teague with a spectacular run in the waning seconds of the game as Madisonville won 21-18. In the eighth game, the Mustangs demolished Lovelady 44-8 as Bruce Bailey gained 310 yards rushing. The last home game against Fairfield was an exciting contest, which the Mustangs lost 20-19 in the closing minutes. Traveling to Groesbeck in the season finale, the Mustangs lost a high-scoring game 42-34.

Mustangs Had 21-7 Season

The 1972 Mustang basketball team had a sensational 14-2 pre-district record, including 7 victories and no losses over AAA teams. Coach Kenneth Poole's Mustangs participated in three tournaments: Snook, Centerville, and their own. They took third place in their own tournament and in the Snook Tournament, and won the Centerville Tournament. However, the Mustangs did not do as well in the district race as expected, winning 7 while losing 5. After beating Groesbeck soundly in the first district game, Madisonville lost important games to Teague and Fairfield. Madisonville defeated Rosebud and then lost to Mart to finish the first round. In the second round the Mustangs defeated Groesbeck, Teague, Centerville, and Mart, while losing to Fairfield and Rosebud, for a final record of 21-7. Although there were eight seniors on the team, two starters and a strong junior varsity return next year.

SEARCH FOR TOMORROW

We at Gulf States know the only tomorrow we have is the youth of today. That's why we are engaged in research to control pollution, further youth programs, and to help disadvantaged young individuals. We're hoping today's student in his search for tomorrow will find a better world.

***In Memory of
a 1972 Senior . . .***

Kenneth "P.J." Harrison

Drowned April 30, 1972,
while trying to save the
life of a friend.

Quietly,
like the breeze that blows
the olive tree
The wind of change
has come down from the hills
to lead me home again
through the last mile of
sunshine.
